More about Gustavus Young Alumni

Gustavus Young Alumni started in May 2011 as a way to connect recent Gustavus grads, particularly those residing in the Twin Cities area. Our group plans 6-10 events a year, ranging from picnics to panels, to help grads grow professionally and stay connected to the College. Recent events, like our June 2013 event, have drawn hundreds of grads. Gustavus Young Alumni events are always free to attend.

Our events are planned by a Steering Committee consistent of members from the last 10 graduating classes. Each member is responsible for serving on a small committee to develop two events each year. In addition to these events, the Steering Committee meets every other month to help develop the group.

Just like our events, there is no cost to serve on the Steering Committee.

Gustavus Young Alumni is supported by the Gustavus Office of Alumni & Parent Engagement.
